

American Lincoln Part

American Lincoln Part - Currently connected with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the industry they are known within the business as providing durable and strong equipment which satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln could supply equipment, components and warranty service for these kinds of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice equipment of huge distribution centers like Target and Wal-Mart. The 7765 line has earned the respect of various facility supervisors where efficiency and results make a difference. Recently, this floor scrubber model has been utilized by the architects in new construction jobs like for example Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on site due to the model's high standard of quality and utmost performance level for polishing concrete.
