

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand provides products, solutions and services to increase the productivity and ensure efficiency in industrial, commercial and residential surroundings. They pride themselves in delivering products so as to improve the security, health, safety and comfort of individuals all around the globe throughout their four international segments.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building parts support, advanced controls and services used for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand offers solutions and products in order to enhance operations, energy efficiency and productivity for their clients. The series of products in their line comprise: tools and pumps, and material fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in golf and utility vehicles intended for businesses and people.

Recognized trade names such as Schlage and Trane compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all over North America. Some of their innovative quality products comprise mechanical and electronic locks, indoor air quality solutions, air conditioning and heating systems, portable security systems, advanced controls and remote home management.

Ingersoll Rand' Security technologies provide products which ensure secure, safe and productive environments. This division's market leading products comprise floor and door closers, exit devices, portable security devices, electronic and biometric cabinet hardware, access control systems, steel frames and locks and doors, decorative hardware and locksets. Popular brands such as Schlage even provide personal, time and attendance scheduling systems.
