

## Nissan Forklift Part

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on attaining complete customer contentment when enjoying one of their car, truck or forklift products. They are fully committed to offering high value and detail-oriented quality standards to their clients. Incorporating a fruitful heritage combined with strong manufacturing principals, Nissan Forklifts offer many of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide forklift demands. Committed to offering consumer support, the company has four distinct production facilities that permit them to continually adapt to their customers continually evolving needs by offering a variety of innovative ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a staff of 350 personnel, they are devoted to the design, manufacture, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using techniques and processes that lessen their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their consumers insist upon while being an environmentally responsive company.

Nissan is certain that they will be able to address any buyer questions or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their community sanctioned dealers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
